

# Managing E-mail & Push Notifications

E-mail and push notifications allow you to choose when you will be alerted about your child's homework. You can choose to receive reminders for upcoming homework, school-wide announcements, and can also receive push notifications on your smartphone.

 Manage notifications

---

Emails

Receive friday email notifications on homework your child has due next week

Receive school wide announcements when they are published

Here's how you can choose the notifications you'd like to receive:

1. Once you have logged in, click on edit profile to be taken to your settings page. Simply scroll down until you see Manage notifications.
2. From here, you'll see the different types of notifications and you can simply tick or untick the options as you like.
