

St Monica's Year Council Meeting September 2017

Year 11 Date- 26/09/1

Agenda

1. Feedback on new journals

Pupils like the new journals but would like a toilet page and a timetable page to be added.

2. Feedback on Ready Respectful Safe rules

The new system is easier to understand and behaviour incidents can be dealt with more effectively as they tend to fall into one of the Ready, Respectful, Safe categories. It is better than having a long list of rules.

3. Feedback on merits going on SIMS

Pupils are supportive of the new merit system but did like having a merit page in their journals... With the new system they don't always know when they have been given merits by staff. Not all form tutors are reading out how many merits pupils have. Year 11s are on board for receiving merits and want to be acknowledged for their achievements.

4. Bullying – go through 5 R policy with representatives and get feedback – what do they want to see to help us make everyone feel safe.

Pupils are aware of the system from previous years but feel that it needs to be re-introduced to form groups and re-signed.

5. Remind pupils of the school council suggestion box for any ideas they want us to look at in school. Also the School council noticeboard is outside Mrs Walker's Office.

6. AOB

Can Year 11 pupils use the Gym in the Hub, especially after school?

Year 11 pupils would prefer to have their lockers in the main school and feel that if the year 10s are now offered the lockers in main school it will be unfair as they are put at a disadvantage because they have to go over to the hub when they might not have many lessons (if any) over there.

Year 11 pupils would like to have access to snacks at break time. Again, it is unfair that the Year 10s now have that privilege and it has been removed from them. Could they have a vending machine?
