

## **St Monica's Year Council Meeting September 2017**

**Year - 9      Date – 25/09/17**

### **Agenda**

- 1. Feedback on new journals- good size, good that can fit in pockets and not having to route through bags. However, needs somewhere to stick timetable and an out of class signing page.**
- 2. Feedback on Ready Respectful Safe rules- better that it is simple but it needs to be pushed more. Most staff not using it consistently enough.**
- 3. Feedback on merits going on SIMS- Pupils like this but staff forgetting to put merits on sometimes. Texts to parents need more detail. Pupils like the idea of having an app on their phone to check how many merits they have?**
- 4. Bullying – go through 5 R policy with representatives and get feedback – what do they want to see to help us make everyone feel safe- does school deal with safety/welfare/safeguarding issues immediately? – Pupils believe consequences are clear or strict enough. Needs to be more follow up for bully victim. Teachers should also be more discrete to avoid pupils being called grasses.**
- 5. Remind pupils of the school council suggestion box for any ideas they want us to look at in school. Also the School council noticeboard is outside Mrs Walker's Office.**
- 6. AOB- bring water back, need better displays in classrooms to make pupils want to learn in there, too many supply teachers and cover work not appropriate a lot of the time (needs to be varied, not just text book work), More own clothes days for rewards, need healthier choices in the canteen (more fruit and veg), introduce bike shed and pupils being allowed to ride bikes to school, need another water fountain as canteen**

**closed after lunch when pupils need it most, wider variety of outside activities at breaks and lunches**
