

DEVELOPMENT KNOWLEDGE ORGANISER

KEY QUESTIONS

| | | |
|---|---|--|
| What are the twelve development indicators? | How does Africa's climate impact development in certain countries? | How are countries trying to overcome the lack of development in certain areas? |
| What is Water Aid? How do they help villages develop? | What is the Demographic Transition Model? | How is Fairtrade helping local residents in African countries? |
| What are the common misconceptions of Africa? | What are large and small-scale development projects? Which is best? | Why do some countries develop at a faster pace than others? |

KEY WORDS

| | |
|------------------|--|
| Development | The process of how developed one country is compared to other countries, or to the same country in the past. Development measures how economically, socially, culturally or technologically advanced a country is. |
| HIC/LIC/NIC | High Income Country/ Low Income Country/ Newly Industrialised Country. |
| Birth Rate | The number of births each year for every 1000 people. |
| Death Rate | The number of deaths each year for every 1000 people. |
| Natural Increase | The rate at which the population is growing. |
| Life Expectancy | The average age that people are expected to live to. |
| Development Gap | Is the difference in levels of social well being and economic development between the poorest and the richest people on the planet, it can occur within the same country. |
| Fairtrade | Is when a country seeks to protect its own industry by placing restrictions on the goods of foreign countries, using import taxes, quotas and subsidies. |
