

St Monica's Year Council Meeting March 2019

Date 29 03 19

Year 11

Agenda Focus: Update on Behaviour policy

- What are the key standards you think the school should uphold:
 - a. In lessons
 - b. Out of lessons

Think about uniform/behaviour/equipment/homework

Some behaviours eg racism, bullying are worse than selling chocolate but same sanction

C5-isolation/TRUST/ FTE- which one will be used? Needs to be specific.

C5: C2 shows fighting so why is this not the same sanction as C5?

Vaping etc- pupils should be sent home there and then.

Referral to Bury anti-bullying team- why not do this as C2?

Deliberately assaulting a teacher-isn't any assault deliberate?

- What helps to promote good behaviour in lessons and around school?

More rewards incentives more regularly, removal of disruptive pupils.

- How should we let pupils know about the rules and the agreed consequences? - Show pupils the proposed flow chart for behaviour – feedback?

Pupils already now-assembly reminders.

- How can we make the best use of form time? – Feedback year 11s on English/Maths form time/other year groups according to your year group's routines
