16<sup>th</sup> December 2019

Dear Parents/Carers

## Ofsted Inspection

I am pleased to share with you the report from our Ofsted Inspection on December 3<sup>rd</sup> and 4<sup>th</sup>. The Executive Board is delighted that the inspection team judged the school to no longer require Special Measures. The report itself highlights the significant improvements in the school since the beginning of this calendar year. The report also makes clear that the behaviour of our pupils and their progress has improved.

I would like to thank all our parents for their support over the past year. We will now begin to plan further steps to ensure our school continues to move forward. The Board would also like to express their thanks to all staff of the school who have embraced changes which have ensured pupils now receive a much better standard of education. I would also like to add our recognition and appreciation for the work and inspired leadership of Mr Foley since his appointment in January 2019.

I wish you all a happy Christmas.

Yours faithfully

John P Costello

Chair of the Interim Executive Board
