Dear Parent/Carer

As school has now been closed for a number of days, I want to thank you all for your continued support. Our staff are extremely grateful for the way so many of you have been able to make arrangements to care for and support your child at home. As a community we must continue to follow government advice, especially with the ongoing restrictions regarding movement. Please can we all remain in our homes as far as possible. If I could remind you of a number of key points:

- Please use the email address keyworker@stmonicas.co.uk should you have no other choice but to send your child into school.
- Please support your child as best you can with online working. We have set up a single point of contact for Show My Homework access concerns; showmyhomework@stmonicas.co.uk should you need help or support.

I hope that you can appreciate the challenges that we face regarding the setting of work for pupils. We do feel it best to set for pupils an equivalent of five lessons work each day. We feel it is better to ensure there is too much than too little. We continue to review this process to ensure it is balanced. I am sure we will all do the very best that we can in the circumstances.

Thank you again for the time and effort with helping your child. It is much appreciated.

Yours faithfully

Mr C Foley
