Dear Parent/Carer

I hope that you and your families are all well – it is certainly an interesting time that we are living through. Rest assured that the staff here continue to work hard to support you and your child with home learning and school work. We are very much looking forward to the time when school can re-open, though we understand that this may not be imminent as per Government guidance.

To support with this, from Monday April 27th we will provide a tighter structure for the setting of work, largely so as parents you are clear what your child can access to day by day. Below is the draft home learning schedule. We have tried to find the balance so as not to overwhelm, but give the pupils sufficient work and activities so they do not feel they are falling behind. The work for each subject will be placed onto the Show My Homework platform each day by 9:00am and staff will then assess and feedback to pupils. This is not a change to the amount of work currently set, but an adjustment to timing so as to give you some more clarity.

Year	Monday	Tuesday	Wednesday	Thursday	Friday

Alongside side this, further resources can now be found from both BBC Bitesize www.bbc.co.uk/bitesize and Oak Academy <https://www.thenational.academy/online-classroom>, both of these can be used as supplementary resources should you wish to use them.

We hope this further supports you during this time. Please stay safe.

Yours faithfully
