The school wishes to take photographs or videos of pupils for a variety of reasons ranging from archive records to press coverage of achievements.

Below are listed the types of images that we may wish to take of your child during his/her school career. Please read the list carefully and ensure that the school is notified of your consent.

- Individual/group photographs for display within school on noticeboards and in school publications ie, magazine, brochures, newsletters etc.
- General photographs of children working in classrooms around the school for our archives.
- Photographs of school events (e.g. educational visits, sports day, dance, drama and music performances etc.) for school publications.
- Photographs of achievements/school events for the website or social media pages.
- Press photos (of awards ceremonies, individual achievers, school events etc.)

Staff will exercise their professional judgement regarding the suitability of images and their use. You may withdraw your consent at any time. Archive copies of images may be retained for future reference.
