June 19th 2020

Dear Parents and Carers

This week we have seen almost all of Year 10 pupils return to school for some face to face time with teachers. We think this has been a success, and I would like to express my thanks to you for your support whilst we have put these measures in place. I hope that the pupils feel a little better now they have been back in school. Their teachers have been delighted to see them, that is for sure.

Please can I ask that pupils are clear regarding their time of arrival. Between 8:30 and 9:30 each morning three different groups of pupils arrive on site, and as per government guidance we have had to stagger this for Key Worker and Year 10 pupils. It would be most helpful if Year 10 pupils who are in school for one day each week could arrive at the very earliest fifteen minutes before their allocated start time.

It would also be helpful if pupils bring a bag. Each time they are in school we are likely to provide them with subject revision guides which can be taken home.

You will no doubt have been reading stories in the media about plans for school catch-up programmes and other initiatives. We are now provisionally planning how to support pupils in the longer term, and also what September would look like for all the pupils. At the point we receive national guidance I will be able to elaborate on what any potential next steps would be.

Thank you for your continued support.

Yours faithfully

Mr C Foley
