August 17th 2020

Dear Pupil and Parents/Carers,

As we move into GCSE results week, I felt it important to write to you to try and keep you informed as best I can. I am sure that like me you have been following the news regarding examination grades, and I am so very sorry that this situation has occurred. This has been an extraordinary time for you, and nobody within our community wanted our exam and results experience to be like this. We are planning for results day to still take place on Thursday, but should anything change at a national level I will inform you all as a matter of urgency. We have made the decision to share with you the Centre Assessed Grade that the school submitted for you on results day as well. We will be on hand to advise you of any next steps on Thursday.

Below for you again is the results day collection information for you;

Event	Time
11B and 11C collect results	09:00
11F and 11K collect results	09:30
11G and 11L collect results	10:00
11R and 11W collect results	10:30

Pupils are asked to arrive at the times stated above and enter school via the main school entrance. Results will be distributed in the main school hall. Given current guidance around social distancing I request that only Year 11 pupils attend. If your child is unable/doesn't wish to attend please email grades@stmonicas.co.uk and we will make arrangements for the results to be posted.

Finally, when we held our last assembly, I promised you that we would still have a Year 11 Prom. As the summer has progressed you will have seen how venues have continued to adapt and change their plans. *As such the date for our Prom has now been changed by the venue and will now take place on Thursday, October 8th.* As I said to you five months ago, **we will have a Prom, no matter how long it takes us to get there.** If the date changes again, I will let you know straightaway.

Yours faithfully

Mr C Foley
