DIOCESE OF SALFORD

11<sup>th</sup> September 2020

Dear Parents and Carers

As we come to the end of our first school week, I would simply like to express my thanks to you and your child for the way this academic year has begun. I have been able to walk around the school every day and it is clear to me that the pupils are keen to be here and engage again with their own learning.

I do, however, need your help in one key area. Each morning, staff on duty are more than willing to provide pupils with face coverings should they either have lost or forgotten theirs. Please can I ask that you ensure your child has a supply of face coverings that they can bring to school each and every day. As ever, please continue to speak to your child about wearing face coverings on public transport.

We will continue to review and revise our school routines so that they can be effective.

Mr Breen will also be writing to Year 11 parents today to share with them the link from last night's presentation and the schedule for after school lessons from Monday.

Thank you for your ongoing support and patience.

Yours faithfully

Mr C Foley  
Headteacher
