Dear Year 11 Parents and Carers

I am able to share with you today the weblink that will enable you to book appointments for our online parents evening on Thursday October 22nd. Alongside this letter I have resent to you the guide for this process.

The weblink is here: <https://bit.ly/3drv6Mb> and has also been included in the email you have been sent. This can be pasted into your web browser, and then you can begin booking appointments.

In the first instance can I ask that you try and leave gaps between your appointments, though I appreciate this may not always be possible. This is a new way of managing parents evening, and I have shared with our staff that we do need to ensure each appointment lasts 4 minutes. Staff will share with you this detail at the beginning of each meeting as we anticipate that the schedule for each teacher will be quite heavy. The deadline for booking appointments will be 2:00pm on Wednesday.

We will also share with you next week the most up to date progress and indicative forecast information that we have for your child. Mr Breen and myself will also again provide an online briefing for you early next week to explain how these forecasts have been reached, and the next steps that we will take in school.

As we now move towards the end of the first half term I wish to give you my most sincere thanks for the support you have shown the school during this pandemic, and also over the past few years.

Yours faithfully

Mr C Foley
