DIOCESE OF SALFORD

October 2nd 2020

Dear Parents and Carers of Year 8 pupils

I am writing to follow up to the letter you received on Wednesday which outlined that all Year 8 pupils need to self-isolate until Monday 12th October on the advice of the Health Protection Team.

It is vital that we are all socially responsible in stopping the spread of COVID-19 further in our community and I am asking for your support in ensuring your child follows the government guidance around self-isolation.

We now switch to a period of remote learning for Year 8. All of their form times and lessons for the week commencing Monday 5th October will take place remotely on Microsoft Teams. Form time and lessons will follow the existing school timetable – I have included next week's Year 8 timetable with this letter.

It is important that your child can access Microsoft Teams between 08:30 and 15:00 each day to continue their learning. Please can I emphasise the importance of the form time session in the morning, which provides an opportunity for us to check on the wellbeing of your child during these challenging times.

Mr Breen and I have prepared a short Information Event outlining the current situation and some helpful tips for maximising the live lessons next week. This can be viewed here - <https://youtu.be/7k8rV7teZXY>

Please be assured that everyone at St Monica's is doing the best we can during these challenging times. We are committed to supporting your child's education in the best way possible.

Yours faithfully

Mr C Foley
Headteacher
