Original image			

Title – Artist Name

Annotations – about artist, their inspirations, the media they use, what you like about it & what you would like to try

A decorative finish – be creative but ensure it is purposeful/will complement the artists work

Photos of the artists work

At least x 1 of your own attempts at trying out their work

An evaluation of how successful your experiment is & how they could be used later in your work

Examples of Photo shoot presentation

PHOTOSHOOT ANNOATION GUIDE

Write 1 paragraph

Explain what images you have taken & why

Link to your brief & theme/focus

Describe how you created the images, the location, the

props, the model, the setting – what was special about it?

Talk about the most successful images captured.

Discuss how you will use these images to develop your

own work
