DIOCESE OF SALFORD

15th July 2021

Dear Parent/Carer

KS3 Art & DT Kit

As your son/daughter will study Art & DT they will require some basic equipment from September. Whilst we have materials and equipment available in the classroom it is advisable that students have access to their own resources at school and at home. If you purchased a kit for your child in 2020 there is no need to purchase a new kit unless you feel they need to top up their materials.

We have included a link below to a reputable educational supplier who can provide a suitable 'all-inclusive kit'. The kit includes: brush set of 5, water colour tin, glue stick, eraser, metal sharpener, all-purpose scissor, drawing pencils set of 6, pencil crayons set of 12, oil pastels set of 12 and is contained in a handy A4 zipper so they will fit inside your child's school bag.

Here is the link to the website, simply cut & paste into your browser then click on the St. Monica's logo, this will take you to the kit options.

<https://www.turnersart.co.uk/school-kits/>

The KS3 kit (£13.45) is perfectly suitable for all tasks in the classroom & at home. If you prefer, you can source your own items individually using the contents list above. We hope that you would only need to purchase one kit for the time your child spends in Key Stage 3.

The kits will be delivered to school in one batch at the end August therefore orders need to be placed by **25th August**. **Please state your child's full name & form on your order**, this will help greatly with distribution in September. Orders received after this date will require you to pay for postage to your home address.

Students who are eligible for Pupil Premium funding will be provided with a kit in the autumn term.

We are looking forward to welcoming your son/daughter in September. Until then, if you have any queries please email me at a.gates@stmonicas.co.uk.

Yours faithfully

Mrs Gates
Head of Art & Technology
