Dear Parent/Carer

Invitation to Bury Careers Event - Wednesday 13 October 2021
3.30pm - 7.00pm, Castle Leisure Centre, Bolton Street, Bury, BL9 0EZ

Are you thinking about the next steps for your son or daughter after they leave school and after they take their GCSEs?

There is an increase in post 16 and post 18 choices, which can be confusing, therefore it is important to equip yourself with up-to-date information to be able to help your son or daughter make informed choices.

We are pleased to invite you and your son or daughter to an exciting event to find out more about the wide range of apprenticeships, college, university and training opportunities open to them, once they have left school and after college. There will be over 30 exhibitors who can tell you more about what they offer and the career opportunities available.

Apprenticeships are jobs with training, many offering routes into university with the growth in Higher and now Degree Apprenticeships. They cover a wide range of sectors including engineering, financial services, human resources, IT, digital marketing and construction.

Join us on **13 October 2021** to meet, colleges, universities, apprenticeship providers and employers and find out more about the whole range of opportunities available after school and college.

Hand sanitizer will be available, and we would encourage those attending to wear a mask.

For more information, please contact **Roger Pakeman** on **0161 253 7469**.

We look forward to seeing you at Castle Leisure Centre.

Yours sincerely

Isobel Booler
Director of Education & Skills
Children and Young People
